Re: Discount available to qualifying Wenham Senior Citizens

Dear Members of the Board:

The purpose of this letter is to outline the needs-based senior citizen discount that will be available to qualified Wenham Comcast cable service subscribers during the term of the March 2, 2015 cable television renewal license.

Comcast will voluntarily offer a discount equal to \$2.00 per month off its Digital Starter (or equivalent) tier of cable service. The discount will be provided to those customers aged sixty-five (65) or older, who are head of household and receiving SSI, Medicaid or MA Fuel Assistance. A qualifying subscriber must be able to show proof of such qualifications. Acceptable documentation would be the following:

- Proof of Age: Driver's License, Birth Certificate or Passport
- Proof of Head of Household Status: Lease, Deed or Town Tax Bill
- Proof of Receipt of SSI or Medicaid benefits under Social Security or MA Fuel Assistance

The period for this senior citizen discount will be concurrent with the fully executed cable television renewal license which begins March 2, 2015. Comcast reserves the right to modify or eliminate such program at its sole discretion. In the event Comcast adopts and offers a statewide senior citizen discount program, Comcast reserves the right to implement such program, after reasonable written notice to your office.

Sincerely,

Jane M. Lyman
